### Historical Preservation of Thibodaux

Jim & Jay Caillouet

Guest speakers for the Rotary Meeting of July 21 were Thibodaux natives, Jim and Jay Caillouet. Jim Caillouet, Thibodaux College High School graduate of 1965, earned a degree in Economics from the University of Southwestern LA. After 35 years in the Oil and Gas Industry with both domestic and international responsibilities serving at multiple executive/officer levels, Jim Caillouet retired. He has served as the president of Caillouet Land since 1995. He is married to Dr. Pat Babin Caillouet. They have 2 children and 4 grandchildren. Jay Caillouet serves as the administrator of Caillouet Land. He has been an independent architect since 1985. He acquired his Master's degree in Preservation Studies in

2012 from Tulane University. Jay has 5 sons. He is the owner of Aucoin Perfume Company in the French Quarter adjacent to the Monteleone Hotel.

Caillouet Land is a privately owned corporation with the purpose of owning, managing, operating and administering improved and unimproved real estate. Three years ago, Caillouet Land began the Restoration of the Riviere Building, located on 3<sup>rd</sup> Street in Historic Downtown Thibodaux. The building was built in the early 1900s. Through the years, the building is remembered for its multiple purposes, such as housing Jake's Department Store and Post Printing.

formed in Downtown Thibodaux, the availability of tax credits and incentives became accessible for the restoration project. In efforts to restore the building to its original design, a multitude of interior and exterior structural work has occurred. The restoration project included but is not limited to addressing masonry, doors, windows, finishes, mechanical and electrical issues, and ornamental restoration.

Newly discovered, original photos have led to Phase III of the restoration project. Photos indicated that the staircase was present in the original building and attempts to recreate the stair case are underway. The counter from Jakes Department Store will remain and will be used as the Board Room Table. The building will house Caillouet Land and will present opportunity for other family businesses to be housed within the building. Future projects include luxury apartments.
