Inside Local Sports

On August 18, guest speaker Louis, Miss. (During football season). He can also be seen on Tuesday nights on Saints on the Bayou television show on Houma Television with Bobby Hebert and Deke Bellavia. He is also an icon for pre-game coverage for Countdown to Saints Kickoff on WWL Radio 870 AM in New Orleans with Bobby Hebert and Deke Bellavia. Mike D. resides locally in Raceland, near LaTour Golf Club, with his family. Thibodaux Rotary members were very attentive to Mike D's predications he shared with the group. “middle of the road” team, although preseason tells one very little. The current team will have to score a lot of points to win. He forecasts that the Saints will be lucky to win 7 games. But keep in mind, the whole division is not very promising.

Mike D predicts LSU will win double digit games, as they have recruited well. Keep an eye out for Leonard Fournette, who Mike labels as “best offensive football player” and “most talented of the group they have in Baton Rouge”. Auburn is predicted to win the SEC WEST, and Tulane will face “rough times.”

Mike D. praised NSU for doing a great job on recruiting Tim Rebowe as their head football coach. He acknowledged Tim’s ability to recruit and develop remarkable relationships with local high schools and parents. Although this relatively new team may not see the “W”, one can expect to see impressive improvements as this team develops.
