ENTERGY

Deanna Lafont

Deanna Duet Lafont, native of Cutoff, received a BA Degree from NSU with a major in Mass Communications and a minor in Government. Deanna was the winner of her 11th grade Rotary Test Essay contest in High School where she won \$75 dollars. Deanna provided the Rotary group with an update on efforts of Entergy in emergency situations, with include hurricanes. There are many covers areas in Lafourche and Assumption, but is also responsible for small areas in adjacent parishes. She is married to Michael Lafont, and together they have two children AJ and Patrick. Deanna was the winner of her 11th grade Rotary Test Essay contest in High School where she won \$75 dollars. could affect South Louisiana and Entergy has an emergency plan in place. Our most recent issue was the April Storms that left much of Thibodaux without electricity for a couple of days. Entergy's restoration plan includes four steps. First it is essential to assess damage, restore power at major power plants. Second it is necessary to ensure all power substations are up and running. The third priority is critical facilities are restored. Finally, neighborhoods are restored. They first attempt the areas with minimal damage, and in which restoration would get large numbers of households restored.

Deanna encouraged the group to have a personal emergency response plan. The Entergy Website has very useful information. There is also an app that can be downloaded on your smart phone for more up to date information.

Rotary Needs YOU! Someone is still needed to take over as Program Chair! Let's get this position filled TODAY!
