CONGRESSMAN UPDATE

US Rep. Garret Graves
R-Baton Rouge

US Representative Garret Graves updated the Regulatory Accountability Act, was passed by the Republican controlled House of Representatives on Thursday. President-elect Donald Trump, and red snapper regulations. A large attendance was noted, with elected officials present and visiting Rotarians.

On the topic of Health Care, Graves believes that President Obama did one thing right: identified the hidden cost associated with the implementation of these regulations. He believes Washington will work toward reforming government

new health care plan would be in full implementation.

Graves also discussed the Red Snapper Fishing Regulations which is limiting the Louisiana's recreational fishermen. There is only a small window of a few days each year that one can fish for Red Snapper Fish. He has taken on advocating for increased fishing time and less stringent regulatory oversight.

The Group participated in a question and answer session.
