The newest addition to Thibodaux Regional will be opening soon: The Wellness Center. The Center, a \$70 Million Dollar State-of-the-Art Facility, will be first of its kind in the State and rivals any wellness center in the country. The building is 242,000 square feet. The new Wellness Center will house state of the art imaging center, wellness education center, orthopedic and sport medicine center, rehabilitation center, weight diabetes management center, selfmanagement program, women's breast health center, aquatics center and fitness center. The Center is expected to open in September/October. Most Rotarians were interested in the specifics of the Fitness Center (rates, hours, services).
