Judge Lanier—Drug Court

Judge Walter Lanier, III gave the opportunity for treatment, the Rotary members a very informative presentation on Lafourche Parish Drug Court. Judge Lanier has been a District Judge since 2002 and the Drug Court Judge since 2013. There are currently 54 drug courts in parishes across Louisiana. Drug Court is designed to attack the drug problem at its root cause. When drugs or alcohol is found to be the problem for a felony crime, the person becomes a candidate to become a drug court client. The person has to have the willingness to change and desire to seek help for their addiction. Drug Court provides

guidance, and opportunities of employment designed to help them turn their lives around and become productive citizens as an alternative to serving jail time. Drug Court uses a four phase progression program to help a client restore productivity in their lives.

Phase 1 – When the client decides to get off of drugs/ alcohol, the client is tested 3-4 times a week throughout the program.

Phase 2 – A 6 month program to figure out who they are and what they want out life begins

with meetings, guidance and therapy throughout the period.

Phase 3 - Client goes through MRT (More Recognition Therapy) with 16 steps to a more productive life doing what is right. He compared this phase to the Rotary 4 Way Test and spoke of similarities of each step.

Phase 4 – Client goes through 6 months of after care watch to make sure they stay on track and become productive adults in society.

Other facts offered by Judge Lanier and his assistant, Elrick Nelson, during the question and answer period are: Lafourche Drug Court currently has 99 clients. It is allotted 100 maximum clients. The success rate is very low – about 2%. A successful graduate is defined as a client going 2 years without a recurring incident. Almost all addicts will use drugs again, so the Drug Court has an open door policy to take a client back in the program to help get back on track again.
