there 24/7/365, make it possible for the rest of us to live the way we do. Care to families while loved ones work far away is a cornerstone of the MPI mission. What makes MPI unique is the philosophy of going to the worker in their daily setting, verses waiting to be approached – “Our Chaplin’s go where the waters flow”. Sponsors make it possible for team members to go aboard the vessels to reach the working men and women. Many times the issues created are due to the workers being away from home for such long periods of time. Rev. Rice said often he assists with counseling for deaths, illnesses, financial situations, marriage crises, etc. In working through issues, the MPI hopes to decrease distractions in the work place.
